

Mondriaan Fund authorisation form

The Mondriaan Fund allows organisations wishing to apply for grants to register an account holder. The account holder manages the account on behalf of the organisation and signs applications and final justification reports that are submitted. Because the account holder signs personally, the requirement is that the account holder is allowed to formally represent the organisation and has signing authority.

This form allows organisations to appoint an authorised representative if the Chamber of Commerce extract shows that the desired account holder does not have unlimited authority. This includes instances in which the account holder is not listed in the Chamber of Commerce extract.

AUTHORISATION

The undersigned certifies/certify that:

Account holder	
----------------	--

On behalf of	
--------------	--

is authorised to submit applications and final justification reports to the Mondriaan Fund. If this authorisation is subject to a financial limit, that limit does not apply to any application submitted to the Mondriaan Fund.
